The President of ICAP
Fernando Gonzalez Llort

Dear Comrade Fernando,

RE...MESSAGE OF KCFS TO ICAP ON THE 60 ANNIVERSARY OF THE CUBAN REVOLUTION

Comrade Fernando, revolutionary greetings and best wishes to you and your family from me! On behalf of the Kenya Cuba Friendship Society (KCFS) please convey our message of friendship and solidarity to ICAP and the people of Cuba on the 60th Anniversary of the historical Cuban Revolution.

Convey our greetings to the President of Cuba Comrade Miguel Diaz-Canel Bermudez and his Government!

Convey our message of solidarity and good will to the First Secretary General of the Communist Party of Cuba Comrade Raul Castro Ruz and members of CPC.

KCFS is together with you on this grand day. The Cuban revolution has remained a great inspiration to all Kenyans and Africans who are struggling for peaceful, democratic and progressive societies based on socialism. That the Cuban revolution has survived to celebrate its 60th anniversary despite the brutal economic, commercial and financial blockade imposed by the United States of America, proves that your socialist revolution is here to stay for it not only belongs to the people of Cuba but also to humanity. Yes, the Cuban revolution will live to remain an example to us and all people and nations fighting for liberation from capitalism and imperialism and all forms of oppression of person by person.

KCFS is happy that amidst our struggles in Kenya, the year 2018 witnessed great improvement of friendship and solidarity between the Governments of Kenya and Cuba. This was shown to the World by the hundred Cuban doctors who are providing essential health services in various parts of Kenya. We wish all Cubans a happy New Year (2019) that will also enhance this globalization of peace, friendship and solidarity,

As you celebrate the 60th Anniversary of your revolution, KCFS takes this opportunity to reiterate our friendship and solidarity with ICAP, CPC, Government and the entire people of Cuba. KCFS shall continue to demand that the USA stops its diabolical blockade against Cuba that has not and will never destroy the will of the people of Cuba of safeguarding their revolutionary gains, protecting their national freedom and building socialism in their own way. We also demand the return of Guantanamo Bay to Cuba!

Long live the friendship between Kenya and Cuba!
Long live the Cuban revolution!
Long live socialism!

Mwandawiro Mghanga
